

OUR PROGRAMS

DIVINE FAVOR

This program is organized by our General Overseer, Uche Okorie, together with our first lady, Chinyere Okorie. This program is geared towards exposing women, husbands, wives, daughters, mothers, sisters, families, marriages, etc. to the truth – **“WIFE IS A FAVOR”**. This program is designed to help men and women understand the value and power of a woman and a wife.

This program is designed to heal marriages, families, ministries, etc. In this program our apostle teaches the world that women are divine favors. He teaches the women the power of answering the name the bible gives them – Favor. In this program, God empowers the women,

their marriages and families. This is a seriously anointed program. It is a program every couple and woman cannot afford to miss. Some women don't believe they worth anything anymore. Many have lost their flavors and essences, but this program makes them

realize who they are designed to be. A woman is designed to be a **“FAVOR”**.
